

## Club Car Precedent Winch Mount Part# 7454

### Parts List

Winch Mount-1

*Always wear appropriate  
eye protection!*

### Installation Instructions:

1. Remove the stock bumper from the car. Save the stock bumper mounting bolts for installing the new winch mount bumper. **NOTE: If you have an OEM style light kit you will not be able to reinstall the front light. The winch mount comes with a light mount tab which allows you to install off-road lights on the bottom of the winch mount as shown in FIGURE 2.**
2. Using the stock bumper mounting bolts install the winch mount to the stock bumper mount as shown in FIGURE 1.
3. Mount your winch to the winch mount as shown in FIGURE 2. **NOTE: There are two holes in the winch mount plate for mounting the winch. Different style winches may have a different mounting system and you may need to drill new holes in the mounting plate.**
