

# COMPATIBILITY CHART

## EZGO

### KEY

Fits and is compatible with Factory Controller and Motor(Drop In)

It will fit and work, but our green recommendations are better options

Fits but will require upgraded controller and/or motor

Does Not Fit and/or will not work with this cart (Will Require Lots of Modification)

**NOTE:**  
THESE ECO BATTERY CONVERSIONS ARE FOR CARTS ORIGINALLY EQUIPPED WITH LEAD-ACID BATTERIES!
