We recommend professional installation. If you choose to not have this product installed by a professional, we highly recommend that you exercise caution, care, and patience when installing this product.

If you are installing the score card holder with a new steering wheel leave 4 bolts out as shown.

If you have a pre-installed steering wheel remove four screws shown, using supplied allen wrench.

Place the holder mount in empty screw holes of center cap ring as shown. Using the supplied 50mm countersunk screws, attach score card holder to holder and steering wheel.

There are 60mm screws supplied for steering wheels with thicker center cap rings.
